

Overview: Food Service Department-For Sale or Disposal as the shelves can no longer be used in a sanitary setting.

Proposal: 11 sections of metal shelving in a chrome finish with a solid bottom shelf and casters. They have been used in a walk-in cooler and freezer. They would be considered in “used-good” condition with some minor rusting and pitting appearing.

Measurements 40” wide x 80” high x 24” deep

Recommendation: Selling each shelving unit for \$50.00. If not sold then disposal will be requested.
