

LICENSED EMPLOYEE CONTINUED EDUCATION CREDIT

Continued education on the part of licensed employees may entitle them to advancement in compensation. Licensed employees who have completed additional hours will be considered for advancement. The board will determine which licensed employees will advance in compensation for continued education keeping in mind the financial condition of the school district, the education and experience of the licensed employee, the educational philosophy of the school district, and any other items deemed relevant by the board.

Licensed employees who wish to obtain additional education for advancement must notify the Director of Administrative Services according to the terms stated in the master contract. The superintendent or designee has the discretion to approve credit outside the employee's area of endorsement or responsibility as well as new licensed employees to the district.

It is the responsibility of the superintendent to make a recommendation to the board for the advancement of a licensed employee.
