

STUDENT SPORTSMANSHIP

Student Sportsmanship and Behavior at Athletic Events:

It takes years to make a good name for the school but only a few minutes to make a bad one.

1. Students should remember that their conduct is a representation of the school. They should concentrate on cheering the team to victory by sitting in the cheering section and cooperating with the cheerleaders. They should cheer and not boo.
2. Students should be hospitable to all visitors and guests.
3. Students should display proper decorum at public events. Obnoxious, disorderly, disruptive or harassing behavior will result in removal from the premises.

Pep Rallies:

Pep rallies are held to foster school spirit, build school morale, and encourage the players. Students are expected to attend these pep rallies and cooperate with the cheerleaders.
